**4-H/FFA LIVESTOCK**  
**GENERAL RULES FOR 4-H/FFA LIVESTOCK EXHIBITORS**

1. 4-H and FFA members who are currently enrolled in Rockbridge, Alleghany, Craig and Botetourt 4H and FFA programs are eligible to compete. Exhibitors must be at least 9 years of age by September 30<sup>th</sup>, 2014 and must not have had their 19<sup>th</sup> birthday by January 1<sup>st</sup>, 2014 .
2. Exhibitors must be bona fide members of their respective 4-H Clubs or FFA Chapter by December 1<sup>st</sup>, 2013 in order to show at the fair. Membership will be verified by 4-H club leaders and FFA advisors. To be eligible to show, members must attend at least 5 club monthly and participate in one service project.
3. First year 4-H or FFA members who have not shown livestock before will be required to attend and participate in one of two workshops that have been set up.
4. Exhibitors will provide their own bedding, straw or shavings in the event that it is not provided. Mulch will be available. ABSOLUTELY NO SAWDUST OR STRAW IN THE BARN.
5. Exhibitors are responsible for cleaning their pen(s) at the end of each day, and piling the debris in a designated area.
6. NO premiums will be paid to exhibitors who do not clean their pen(s), if applicable.
7. At any time during the fair, unruly animals posing a risk of injury to exhibitors or spectators may be excused from the class, show, or fairgrounds by the judge, department superintendent, 4-H agent, OR FFA Advisor. Market animals excused from class but allowed to remain on the fairgrounds will be allowed to sell at the end of the auction for that specific species.
8. No one is allowed in the Show Ring other than the EXHIBITOR, JUDGE, RINGMASTER, AND PHOTOGRAPHER, unless requested by the Judge or Ring Master.
9. During the Fair, only the exhibitor, their family, or other Virginia 4-H or FFA members may fit, clip, feed or help manage their animals.
10. Dairy cattle in production, cattle with nursing calves or nursing calves may leave the fairgrounds at 5 p.m., but they must be returned to the fairgrounds by 8 a.m. the following morning.
11. The exhibitor of an animal must be the owner of the animal unless the owner has more than one in any given class; in which case, the owner will show one animal and another Rockbridge Regional Fair Livestock Show 4-H/FFA member will show the other. Department

Superintendent or Designee will verify ownership. If owner is not present entry will be scratched.

12. The definition of Home Raised Animals is as follows: Any animal that is owned and raised by the exhibitor or immediate family of the exhibitor, (i.e. parents and/or siblings). This includes animals born on the farm or bought within one week of birth. The number of animals that can be shown are two Home Raised animals per department per exhibitor. Home raised animals will be shown in their respective classes with double premiums being paid based on their placing in that class. Home raised animals must be declared within one hour after the final weigh-in.
13. Any class splits will be left to the discretion of the species chairman and Executive Committee.
14. Premium amounts listed on the sliding scale will be paid only if enough money is available.
15. Any animal going through a sale after the ownership and possession date stated in the rules, and before the Rockbridge County Fair, is ineligible to be shown at the county fair and/or sold in the county market animal sale. The animal(s) must be in continuous ownership and possession of the exhibitor by and after the specified dates
16. ENTRY FORMS: Entries are available online at [www.rockbridgelivestock.org](http://www.rockbridgelivestock.org) beginning June 1, 2014. Entries will close on June 8th , 2014 at 11:59 p.m Entry fees are to be submitted to each respective Extension Office or electronically no later than 5:00 p.m. on Monday, June 9th , 2014
17. Entry fees are \$8 for beef classes, \$5 per specie for showmanship classes, \$5 for sheep classes, \$5 for hog classes, and \$5 for goat classes. All forms will be completed and entry fees will be paid at this time.
18. Late entries will be accepted until June 16<sup>th</sup>, 2014 at 11:59 p.m. An additional \$10 per entry will be charged, i.e. \$18 for cattle, \$15 for showmanship, \$15 for sheep, hogs, and goats. Late entry fees must be delivered to the Extension Office by 5:00 p.m. on June 16, 2014.
19. The use and/or possession of tobacco, alcohol or other controlled substances are prohibited. Members violating this policy will be eliminated from all 4-H/FFA Livestock competitions and will remove their animals from the fairgrounds. They will not be allowed to continue showing or competing in any 4-H/FFA Livestock activities at this year's fair. Entry fees are not refundable for these violations. The Executive Committee will review the situation and may make further recommendations on discipline. Coolers are subject to search.

20. Medical Waste: The Virginia Horse Center provides special containers for medical waste (needles, syringes and other medical supplies) disposal in each barn for exhibitors use. Medical waste must not be discarded in stalls, manure pits, garbage cans or on the grounds. Medical wastes must be placed in appropriate containers located in each barn.
21. While in the show/sale ring, all exhibitors must wear clean jeans or slacks and a shirt with collar. Shirts must be tucked in. No tank tops. No shorts. Exhibitors will not be allowed to show or sell unless in proper attire.
22. Animals must be treated and handled in a responsible and humane manner. They will be fed and watered at least twice daily.
23. The use of tranquilizers, sedatives, or depressants is prohibited.
24. Treating an animal internally or externally with any substance or procedure used to artificially change the conformation, appearance, or handling characteristics of the animal for show is prohibited. This does not apply to accepted methods of clipping or combing an animal's hair.
25. The use of abusive showing and/or handling practices such as striking animals, or administering an electrical shock to cause swelling, or to affect the bracing behavior of an animal is prohibited.
26. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after a competitive event is prohibited.
27. Any violation of the general rules can and will result in forfeiture of premiums and awards, disqualification, possible loss of sale proceeds, probationary status, and/or loss of eligibility for future competition at the Rockbridge Regional Fair. The Rockbridge 4-H/FFA Livestock Council Executive Committee is responsible for the administration of these rules. Their decisions are final and not subject to appeal.
28. If an animal dies prior to the show, replacement will be allowed as follows: A. The exhibitor notifies the Executive Committee Chairman or another member of the Executive Committee within 24 hours of the death of the animal. If it is a market steer, a replacement of the same type and kind will be allowed up to 100 days before the fair. For hogs, sheep, and goats, replacement of the same type and kind will be allowed up to 30 days before the fair. If it is less than 100 days for market steers, or less than 30 days for all other species, replacement will not be allowed. B. You must be notified in writing by the executive committee that a replacement is within guidelines. If it is a market animal, it must be retagged. C. Replacement animals will not be eligible for Champion or Reserve classes. They can show in the regular

class only. If a replacement wins first place in a class, the second place entry will be eligible to compete for Champion. D. A certified letter of death will be provided by a licensed veterinarian to verify death of an animal.

29. No exhibitor may show an animal that has been previously sold at an auction or sale as a market animal through another fair or livestock show, whether or not there is an actual change of ownership.
30. All animals need to be in the barn no later than 9 a.m. Wednesday July 16<sup>th</sup>, 2013. Animals may **not** be removed until 6:00 p.m., Saturday July 20<sup>th</sup>, 2013 after the completion of all show activities in the show ring. Any exhibitor needing to be exempt from this rule needs to present such a request in writing to the Executive Committee one month prior to the Fair.
31. All exhibitors or authorized designee are required to assist with both set up and tear down. If an exhibitor does not participate, they will **not** be eligible to participate in the following year's show and sale.

## Rockbridge 4-H/FFA Livestock Advisory Council

### Sale Procedures/Policies

1. All 4-H and FFA exhibitors may sell one market animal of each species; unless an exhibitor has both Grand and Reserve Champion of a species, then both sell in the auction sale.
2. The exhibitor has **two (2)** hours following the completion of each market show to declare the animal they will sell in the auction sale.
3. The auction sale order revolves annually. The sale order for the 2014 auction will be champions, steers, lambs, goats, and hogs. The species following steers will rotate to the end of the list the following year.
4. The sale order for Champions will be: Lambs, Goats, Hogs and Steers.
5. Market lambs grading choice minus or better will be sold through the sale. Steers grading from prime to select minus will sell in the sale. Market hogs grading 1 or 2, and weighing between 200 and 300 lbs will sell in the auction sale. Market goats must grade 1 or 2 to be sold. There is no maximum or minimum weight for steers, goats, and lambs to be sold.
6. The order of sale will be based upon quality (grade) and class placing. For each type of livestock the first sale will be the lowest placing animal with the lowest grade classification in the lightest eligible weight class- If a tie exists, weights will determine order, with the lightest weight selling first.
7. Lambs grading below choice minus, standard steers, and utility hogs will not be allowed to sell.
8. Only animals exhibited in the regular market classes at this show may be sold through the sale.
9. The 4-H or FFA member must be present to sell their own animal. Special situations may be considered with written application to the Rockbridge 4-H/FFA Advisory Council Executive Committee. Exhibitors must provide written request to Executive Committee one month prior to show. Auction Committee may allow member to receive floor price only.
10. No animal can be sold more than twice at the auction. The first highest bidder may donate the animal back for resale for the benefit of the Livestock Advisory Council or other not-for-profit group. However, the second sale cannot be for the benefit of any individual 4-H/FFA exhibitor.
11. Animals become the property of the buyer after they are sold. The club members and the Livestock Committee will cooperate in loading out the animals. Animals floored become the property of the floor buyer.
12. All sales are final at the conclusion of the auction

13. No youth animals will be sold through the auction. However, youth animals being transported for processing by the Rockbridge 4-H/FFA Livestock Advisory Council must have a sale sheet completed by Friday, July 18<sup>th</sup>, 2014, no later than 12:00 p.m.
14. All exhibitors selling market animals will be charged a flat rate of \$50 per head to help pay auction sale expenses, transportation, buyer reception, etc. All non-market animals will be charged \$5/head.
15. All extra and youth market animals must have a completed Livestock Sale Form immediately following the completion of the auction. If this is not completed, the animal **will not** be loaded for slaughter and the transportation becomes the responsibility of the seller.
16. Animals will be loaded out for slaughter following the sale and at a time determined convenient for the floor buyers and processors. All animals to be loaded must be left in the barn following the completion of the sale..
17. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be *prima facie* evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which

affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

All exhibitors must comply with the USDA Wholesome Meat Act, and the Wholesome Assurance Statement as published below. Health Regulations of the United States Department of Agriculture require that animals treated with drugs, pesticides or any other chemical must go through the prescribed withdrawal period as listed on the label. Therefore, it is important that exhibitors determine the type of treatments used if the animals must be dipped or treated prior to leaving the point of origin.

### **USDA WHOLESOME MEAT ACT**

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the Rockbridge County Fair as follows:

- a. Animals must be in good health and carcasses free of drug or chemical residues.
  - b. Antibiotics and sulfonamides have required withdrawal periods.
  - c. Before administering antibiotics and/or sulfonamides, consult a licensed practicing veterinarian, or label directions of the drug.
  - d. Drug label directions for use and withdrawal periods must be followed.
  - e. If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned. If drug or other chemical residues are found in the urine, blood or tissue from an animal sold through a sale connected with the Rockbridge County Fair, said show will in no way be liable or responsible for the condition of the carcass or sale price of animal. Exhibitor will forfeit all rights to the sale proceeds and premiums. Before administering antibiotics and/or sulfonamides, consult a licensed practicing veterinarian, or label directions of the drug. A drug test, as listed above, requested by anyone other than show management must pay the costs of the test (\$300) prior to administration of the tests. If the results are positive, the money will be refunded and the exhibitor will be liable for the expenses incurred. Members found to be in violation of this rule will be disqualified from exhibiting a market animal the following year at the Rockbridge 4-H/FFA Livestock Show and Sale.
18. Thank you notes for sale purchases are due to the respective extension office two weeks following the closing of the fair. If thank you notes are not submitted, NO Premiums will be awarded. Thank you notes will be reviewed for age appropriate completion and correctness.

Thank you notes must be written to each buyer (note that some animals have two or more buyers and a separate note must be written to each one). Colored stationery, and/or printed thank you notes may be used. **Binder paper is not allowed.** Typed and computer written thank you notes are not acceptable. Envelopes must be properly addressed, stamped and UNSEALED. Notes should be at least one paragraph and easy to read. We will not accept money to purchase stamps

19. Exhibitor(s) of the Champion hog, lamb, and goat are responsible for raising the committee animal of that species for the following year's sale. Committee animals are sold for the benefit of the Rockbridge Livestock Advisory Council as a fundraiser. Committee animals are donated or bought to be raised by the past years' champion exhibitor for the benefit and continuation of the livestock show and sale. If an exhibitor/youth is unable to fulfill this obligation, it is recommended that the exhibitor/youth make arrangements for another exhibitor/youth to raise the animal and provide financial support. Executive Committee will locate an animal for the exhibitor to raise as a committee animal. **All Committee animals must meet the same requirements of any other market animal of the same species. Committee animals must also be tagged in at the initial tag-in with all other market animals.**

## Rockbridge 4-H / FFA Livestock Show and Sale Dress Code

The following are clothing requirements for participants, adult volunteers, and staff members that must be followed while at the 4-H / FFA Livestock Show and Sale on the Virginia Horse Center property:

- Shoes must be worn at all times. Closed-toe shoes are required. Footwear without heel straps is not permitted (home-made heel straps are not permitted). Flip-flops are not permitted.
- Clothing with offensive, sexual, suggestive, profane, violent, or inappropriate words or pictures is not permitted. Clothing displaying content, such as logos, slogans, graphics, etc., for illegal drugs, alcohol, or tobacco products is not permitted.
- Clothing that reveals undergarments is not permitted. No portion of undergarments may be visible.
- Tight clothing is not permitted.
- Low cut shirts, backless shirts, half shirts, or shirts that expose the midriff are not permitted. Transparent and sheer clothing, including jerseys, is not permitted, unless worn over another appropriate shirt.
- Tank top straps less than one inch wide are not permitted. Tank top straps showing undergarments are not permitted. Spaghetti straps are not permitted, unless worn with another appropriate shirt.
- Shorts / skirts / skorts shorter than the tip of the longest finger when the hands are down by the side are not permitted.
- Excessively baggy pants / shorts are not permitted. Pants / shorts worn below the hips are not permitted.
- Clothing with holes above the knee is not permitted.

Participants in violation of the dress code will be asked to change into appropriate clothing. Multiple violations may result in dismissal from the Rockbridge 4-H / FFA Livestock Show and Sale. Inappropriate dress not specifically covered by the above provisions is subject to review by adult leadership.

## LIVESTOCK SHOW AWARDS

### CATTLE DEPARTMENT

#### Premium Level Sliding Scale

The sliding scale is a system by which exhibitors in a particular class receive a premium based on the number of other exhibitors in the class. For example, if there is only one exhibitor in the class that exhibitor would receive a premium in the amount of \$8 for placing first place. However, if there were three exhibitors in the class the first place winner would receive a premium of \$12, and subsequent winners would receive premiums in accordance with the scale.

Class Awards are as follows:

(The premium amounts listed on the sliding scale will be paid only if enough money is available.)

## **ROCKBRIDGE 4-H/FFA SHOWMANSHIP**

### **SHOWMANSHIP**

1. Exhibitors must fill out entry forms for Showmanship Classes.
2. Exhibitors must show an animal that has been entered in their name in another class.
3. Animals in Showmanship classes will be shown clean, dry, and unfitted. Animals may be clipped and brushed or combed, but no additives or sprays allowed.
4. The classes for each species listed below are Junior Showmanship (9-11 years), Intermediate Showmanship (12-13 years), Senior Showmanship (14-19 years, Novice Showmanship (exhibitor never having shown that specie before that project year ), and Non-Ownership Showmanship (Noviceexhibitors who do not own the species being shown). All ages are as of September 30, 2014.
5. There will be a \$5 entry fee for each showmanship class that an exhibitor enters.

1. Sheep
2. Swine
3. Beef Cattle
4. Dairy Cattle
5. Meat Goats
6. Dairy Goats

## **ROCKBRIDGE 4-H/FFA SUPREME SHOWMANSHIP**

**Friday, July 18, 2014**

**1:00 P.M.**

### **Rules**

1. A single exhibitor will be named the 4-H/FFA Supreme Showman. A top Showman from each species will be selected regardless of age classification. An exhibitor may win and subsequently represent more than one species in the Supreme Showman class. The overall winners from the six species showmanship classes will compete for Supreme Showman by exhibiting beef cattle, dairy cattle, sheep, swine, meat goats and dairy goats. In the unlikely event that one exhibitor was to win all six of the individual species awards during their preliminary showmanship class, that exhibitor would automatically be recognized as the Supreme Showman for the year.
2. After winning the Supreme Showmanship Award once, an exhibitor is not eligible to compete again.
3. Supreme Showmanship Class: No Premiums Awarded; Supreme Showman will receive an award.

4. If less than 3 animals of comparable size are not available, the overall winner of the species will participate in Supreme but their respective species will not be shown. A question and answer round will be substituted.
- 5.
6. Two extra animals from each species will be selected and held back as substitution animals. The judge is to be made aware that substitute animals are available and the decision to excuse an animal for unruly behavior will be at the judge's discretion. In the event that a species (i.e. dairy cattle) does not have enough animals entered to allow for substitutes, the judge will be instructed to have exhibitors switch animals during the class to allow an equal opportunity for each exhibitor to handle each animal.
